

Rules for No-Boat and Kayak Races

No-Boat Boat Race

1. You must wear a coast guard-approved flotation device during the race.
2. Boat must be home-made and cannot contain any part of a boat, skiff, canoe, kayak or any type of commercially available craft.
3. It may be paddled or sailed with homemade devices (no commercial paddles, oars or sails).
4. At least one person must remain aboard the No Boat throughout the race. In the event of capsizing, the boat may be righted and continue in the race.

Trophies will be given to the race winner and the most creative boat. Depending upon entries, there may be a single and team division. However, if entries are limited, all boats will race together. The race will start at the sand bar at East Bay Park and end at the East Bay boat ramp. (Please be cautious at the boat ramp because it may be very slippery.)

(Route may change, depending upon weather conditions.) Race begins at 1:00 PM July 4th, so please arrive a few minutes early so we can start on time. This is a fun race and one that will be enjoyed by many visitors. For more information, call Don or Sandi at 361-972-2177 or email shyett@gmail.com.

Kayak Races

1. You must wear a coast guard-approved flotation device during the race.
2. In the 2-person boat, both people must be in the boat when it crosses the finish line. Single must be in the boat at the finish. In case of capsizing, you may get back in and keep on going.
3. You must go around the buoy before returning to the finish line.

Trophies will be awarded to first place winners in single and double. If there are enough entries, a youth division (under 15) will also be held. The race will start at the pier by the East Bay boat ramp. You may put in there or at the beach area by East Bay. (Please be cautious at the boat ramp because it may be very slippery.) The race starts at 3:30PM so please be there a few minutes early. This is a fun race, so enjoy yourself. For more information, call Don or Sandi at 361-972-2177 or email shyett@gmail.com.
